P.O BOX 80071
 BUILDING 1928
 ROAD 5146, BLOCK 951
 ASKAR, KINGDOM OF BAHRAIN

CLEANING

Spillages of component products should be absorbed on to earth, sand or other inert material and transferred to a suitable vessel. Disposal of such spillages or empty packing should be in accordance with local waste disposal regulations.

SAFETY PRECAUTIONS

It should not come in contact with skin and eyes or be swallowed. Avoid inhalation of solvent vapors. Gloves & goggles should therefore be used. Ensure adequate ventilation and if working in enclosed areas, suitable breathing apparatus is recommended. Wash hands with soap and water after using the product. Should accidental eye contamination occur with any of the above products, wash well with plenty of clean water and seek medical advice. If swallowed, seek medical attention immediately - DO NOT INDUCE VOMITING.
